

WITH THE SUPPORT OF

MUSE COLLABORATORY
Multisectoral Urban Systems for Health and Equity in Canadian Cities

13th Annual Workshop
Virtual
June 15, 16 and 17, 2022

PROGRAM

Building Adaptive Interventions to Achieve Health Equity Across the Life Course

Overview

Sessions will be repeated twice each day for attendees in different time zones. We invite you to join us for the session that best suits your schedule.

Day 1: Working towards shared frameworks and shared metrics for child health equity

Session 1: 8:30 am PT – 12:00 pm PT

Session 2: 2:30 pm PT – 6:00 pm PT

Day 2: Adaptive, multi-level approaches to interventions to improve equity

Session 1: 8:30 am PT – 12:00 pm PT

Session 2: 2:30 pm PT – 6:00 pm PT

Day 3: Aligning rhetoric and research to impact global child health equity

Session 1: 8:45 am PT – 12:00 pm PT

Session 2: 2:45 pm PT – 6:00 pm PT

WORKSHOP DAY 1: Wednesday June 15, 2022

Theme: Working Towards Shared Frameworks and Shared Metrics for Child Equity

Chair: Neal Halfon, Director of the UCLA Center for Healthier Children, Families and Communities, and Professor of Pediatrics, Public Health and Public Policy

Session 1	Session 2	Presentation
8:30 PT	14:30 PT	Welcome and Introduction to a Life Course Health Development Approach to Interventions Neal Halfon , Director of the UCLA Center for Healthier Children, Families and Communities, and Professor of Pediatrics, Public Health and Public Policy, USA Robert S Kahn , Professor and Associate chair of Community Health, University of Cincinnati Department of Pediatrics, Executive Lead, Population and Community Health, USA
8:45 PT	14:45 PT	Graham Leicester, Director, International Futures Forum, Kirkcaldy, Scotland, UK <i>Three Horizons: A framework to guide systems transition</i>

9:05 PT	15:05 PT	Jody Heymann, Director, World Policy Analysis Center, UCLA, USA <i>Using Global Multi-Level Data to Understand Which National Policies Work</i>
9:25 PT	15:25 PT	John Wright, Director, Bradford Institute for Health Research, Bradford, UK <i>A little less association, a little more action: new approaches to implementing and evaluating early life interventions</i>
9:45 PT	15:45 PT	Sharon Goldfeld, Professor, Department of Pediatrics, University of Melbourne. Director, the Center for Community Child Health. Co-Group Leader Policy and Equity, Murdoch Children's Research Institute, Melbourne, Australia <i>Learning from Comparative Systems Research to Accelerate Equitable Child Health Outcomes</i>
10:05 PT	16:05 PT	Speaker panel and Q&A
10:25 PT	16:25 PT	15-MINUTE BREAK
10:40 PT	16:40 PT	Breakout discussions
11:10 PT	17:10 PT	Report back
11:20 PT	17:20 PT	Andraea Van Hulst Ingram School of Nursing, Faculty of Medicine and Health Sciences, McGill University, Montreal, Canada <i>Poster: Prevalence and determinants of obesity among preschool-aged children from vulnerable social, migratory or economic backgrounds</i>
11 :25 PT	17 :25 PT	Jie Luo, Erasmus Medical Center, Department of Public Health, Rotterdam, the Netherlands <i>Poster: The longitudinal association between socio-economic status and psychosocial problems in preschool children</i>
11 :30 PT	17 :30 PT	Ruixue Ye, West China School of Public Health and West China Fourth Hospital, Sichuan University, Chengdu, China <i>Poster: How was a micronutrient home fortification program diffused in a low income multi-ethnic rural population?</i>
11 :35 PT	17 :35 PT	Saltanat Childress, University of Texas Arlington School of Social Work <i>Poster: Family wellbeing in global cultures: Establishing foundations for adaptive interventions for children's health equity in Kyrgyzstan</i>
11:40 PT	17:40 PT	Poster Q&A
11:55 PT	17:50 PT	Conclusions

WORKSHOP DAY 2: Thursday, JUNE 16, 2022

Theme: Adaptive, Multi-level Approaches to Interventions to Improve Equity

Chair: Nick Spencer, Emeritus Professor of Child Health at the University of Warwick, UK, Co-chair of INRICH

Session 1	Session 2	Presentation
8:30 PT	14:30 PT	Welcome and reflections from Day 1 Nick Spencer , Emeritus Professor of Child Health at the University of Warwick, UK, Co-chair of INRICH
8:35 PT	14:35 PT	Kate Pickett, Professor of Epidemiology, University of York, UK &

		David Taylor-Robinson, Professor of Public Health and Policy, Institute of Population Health, University of Liverpool, UK <i>Child of the North – building a fairer future/ Deep causes of health inequalities</i>
8:55 PT	14:55 PT	Cynthia Rayner, Adjunct Lecturer & Senior Researcher, Bertha Centre for Social Innovation, University of Cape Town Graduate School of Business, South Africa <i>Systems Work: Harnessing Connection, Context & Power to Create Equitable Systems for All</i>
9:15 PT	15:15 PT	Rob Kahn, Professor and Associate Chair of Community Health, University of Cincinnati Department of Pediatrics, Executive Lead, Population and Community Health, USA <i>All Children Thrive (ACT) Cincinnati, Ohio, USA</i>
9:35 PT	15:35 PT	Melissa Wake, Scientific Director, GenV at Murdoch Children’s Research Institute, Melbourne, Australia <i>Nesting Interventions in Cohort Studies</i>
9:55 PT	15:55 PT	Jane Kinsey, New Zealand Harkness Fellow in Health Care Policy and Practice, UCLA Center for Healthier Children, Families and Communities and General Manager Mental Health, Addictions and Disability Support services, Nelson Marlborough Health, NZ <i>A Life Course Model of Adverse Childhood Experiences (ACEs)</i>
10:15 PT	16:15 PT	15-MINUTE BREAK
10:30 PT	16:30 PT	Speaker panel and Q&A
10:50 PT	16:50 PT	Breakout discussions
11:10 PT	17:10 PT	Report back
11:20 PT	17:20 PT	Angelica Mondragon, University of California Los Angeles, USA <i>Poster: Adapting research engagement approaches for racially, ethnically, and linguistically diverse participants in a Medical-Financial Partnership (MFP) intervention during COVID-19 in Los Angeles, California</i>
11 :25 PT	17 :25 PT	Chang Sun, West China School of Public Health and West China Fourth Hospital, Sichuan University, Chengdu, China <i>Poster: Adherence to micronutrient powder for home fortification of foods among infants and toddlers in rural China: a structural equation modeling approach</i>
11 :30 PT	17 :30 PT	Jatinder Hayre, Faculty of Medicine and Health Sciences, Queen’s Medical Centre, University of Nottingham, UK <i>Poster: Poor choices? Or paucity of choices? Food exclusivity as a driver of childhood obesity</i>
11 :35 PT	17 :35 PT	Shuang Zhou, Erasmus Medical Center, Rotterdam, The Netherlands, School of Public Health, Peking University, Beijing, China <i>Poster: Neighborhood socioeconomic status mobility and childhood growth trajectory: The Generation R study</i>
11:40 PT	17:40 PT	Poster Q&A
11:55 PT	17:50 PT	Conclusions

WORKSHOP DAY 3: Friday JUNE 17, 2022

Theme: Aligning Rhetoric and Research to Impact Global Child Health Equity

Chairs: **Robert S Kahn**, Professor and Associate Chair of Community Health, University of Cincinnati Department of Pediatrics, Executive Lead, Population and Community Health

Neal Halfon, Director of the UCLA Center for Healthier Children, Families and Communities, and Professor of Pediatrics, Public Health and Public Policy

Sharon Goldfeld, Professor, Department of Pediatrics, University of Melbourne. Director, the Center for Community Child Health. Co-Group Leader Policy and Equity, Murdoch Children’s Research Institute, Melbourne, Australia

Goal: To begin to develop alignment around the drivers of inequity, which outcomes we measure and how, the levels at which we need to work. To discuss how this network can become more effective at making a major contribution to the issue of global child health equity.

Session 1	Session 2	Presentation
8:45 PT	14:45 PT	Welcome and Introductions
9:15 PT	15:15 PT	Neal Halfon, Director of the UCLA Center for Healthier Children, Families and Communities, and Professor of Pediatrics, Public Health and Public Policy <i>Moving forward together: how do we tackle child health inequality in a more impactful, more globally connected way?</i>
9:30 PT	15:30 PT	Breakout groups
10:15 PT	16:15 PT	Report back
10:30 PT	16:30 PT	15-MINUTE BREAK
10:45 PT	16:45 PT	Breakout groups
11:15 PT	17:15 PT	Report back
11:30 PT	17:30 PT	Summarize and Wrap Up
11:50 PT	17:50 PT	Conclusions

The 2023 workshop (14th edition) will be held in Paris, France.
