CALL FOR ABSTRACTS FOR POSTERS

DEADLINE: April 1st, 2025

DEADLINE to receive an answer: **April 15th, 2025**

Early career researchers as well as students and PhD fellows are invited to submit an abstract for a poster. The deadline for all to submit the abstracts is April 1st, 2025. The deadline to receive an answer is April 15th, 2025.

Submissions should include a title, a 250-word proposal, and the name of the first author and those of any co-authors, the name of the institution and a correspondence email.

The abstract must include 1- Introduction with the research question; 2- Method of research; 3- Results if relevant; 4- Conclusion.

We also accept for posters a planned research project that is well defined

Please, send all submissions to Lucie at info@inrichnetwork.org by midnight April 1st, 2025.
